

CURRICULUM VITAE**Tiberiu Ezri, M.D****July 10, 2006**

Name: Tiberiu Ezri M.D. ID #: 01762769-6

Faculty/Dept: Sackler School of Medicine, Dept. of Anesthesia, Tel Aviv University

Hospital/Dept: The Edith Wolfson Medical Center, Dept. of Anesthesia

Phone: 03-5028229/219; Fax: 03-5028218; email: ezri@wolfson.health.gov.il

Home address: 54/ 2 Derekh Yavne, 76343 Rehovot, Israel

Phone:08-9475188; Mobile: 0506-267853; email: tezri@netvision.net.il

Date and place of birth: 5 December 1951 – Romania

Arrival in Israel: 1 August 1978

Zahal: July 1984-Nov. 1985: Army service as military doctor
(retired with rank of Major)

Marital status: Married, 2 children

EDUCATION

Period of study: 1970-1976 University School of Medicine, Timisoara, Romania

Subject: General Medicine

Degree: Master Doctor - Physician

Date awarded: 1 September 1976

Title of Doctoral Dissertation: Treatment of experimental anaphylactic shock with
trasylol

Name of Supervisor: Prof. A. Mirza –Chairman, Dept. of Physiology, University
School of Medicine, Timisoara, Romania

Spoken languages: Hebrew, English, Romanian, Hungarian, Russian

Clinical experience

Feb. 1977-May 1978: Internship in Cindesti, Romania

Jan. 1979: Resident, Department of Anesthesiology, Kaplan Hospital,
Rehovot, Israel

Aug. 1983: Passed board exams & registered as Specialist Anesthesiologist by
Israel Medical Council

Aug. 1983-June 1984: Staff anesthesiologist, Kaplan Hospital

Dec. 1985-1999: Staff anesthesiologist, Kaplan Hospital

June 1987-1990: Deputy Head, Department of Anesthesiology, Kaplan Hospital

June 1990-1999: Head, Postanesthesia Care Unit, Kaplan Hospital

Feb. 1991: Completed course and certified in trauma ATLS in Tel Aviv,
according to American principles

Sep.-Dec.1992: "Locum tenens" of Head of Department of
Anesthesiology, Kaplan Hospital, Rehovot

April-Oct 1993 - Staff Anesthesiologist, University of Texas Medical School,
Hermann Medical Center at Houston

Nov. 1993: Visiting anesthesiologist, Department of Anaesthesia, St. Mary's
University Hospital, London, UK

Jan.-Mar. 1995: "Locum tenens" of Head of Department of Anesthesiology, Kaplan
Hospital, Rehovot

June 1995: Staff Anesthesiologist, University of Texas Medical School,
Hermann Medical Center at Houston

July 1995: Visiting anesthesiologist, Dept. of Intensive Care, Helsinki University
Central Hospital, Finland

1995 – 2004: Anesthesiologist on a voluntary base at the Isie Shapiro dental clinic
for retarded children

July 1996: Staff Anesthesiologist, University of Texas Medical School,
Hermann Medical Center at Houston

1997: Participation in the project of opening and organizing (by Israel Ministry of
Foreign Affairs) of the new intensive care unit in Ashhabad, Capital of the
Republic of Turkmenistan

1997: Completed course and certified as instructor of ACLS

July 1997: Staff Anesthesiologist, University of Texas Medical School,
Hermann Medical Center at Houston

July 1998: Staff Anesthesiologist, University of Texas Medical School,
Hermann Medical Center at Houston

Aug 1999-June 2000: Staff Anesthesiologist, University of Texas Medical School,
Hermann Medical Center at Houston

July 2000 – present: Head – Department of Anesthesia, Wolfson Medical Center,
Holon, Affiliated to Sackler School of Medicine,
Tel Aviv, Israel.

Feb. 2002: Staff Anesthesiologist, University of Texas Medical School,
Hermann Medical Center at Houston.

Aug. 2003: Staff Anesthesiologist, University of Texas Medical School,
Hermann Medical Center at Houston

Aug. 2004: Staff Anesthesiologist, University of Texas Medical School,
Hermann Medical Center at Houston

Academic experience

May.-Nov. 1993:

- University of Texas Medical School, Houston, Texas,
U.S.A
- Anesthesia teaching of residents and medical students
- Dept. of Anesthesiology
- Visiting Assistant Professor of Anesthesiology

1995, 1996, 1997, 1998 (for one month each year):

- University of Texas Medical School, Houston, Texas,
U.S.A
- Anesthesia teaching of residents and medical students
- Dept. of Anesthesiology
- Visiting Assistant Professor of Anesthesiology

Aug. 1999 –June 2000:

- University of Texas Medical School, Houston, Texas,
U.S.A
- Anesthesia teaching of residents and medical students
- Dept. of Anesthesiology
- Visiting Professor of Anesthesiology

2002, 2003, 2004 (for one month each year):

- University of Texas Medical School, Houston, Texas, U.S.A
- Anesthesia teaching of residents and medical students
- Dept. of Anesthesiology
- Visiting Professor of Anesthesiology

March 2001 – 2004:

- The Hebrew University, Hadassah School of Medicine, Jerusalem, Israel
- Anesthesia
- Anesthesiology
- Clinical Senior Lecturer in Anesthesiology

Oct. 2004 – present: Clinical Senior Lecturer in Anesthesiology
The Sackler School of Medicine, Tel Aviv, Israel.

1983-1999: Teacher of anesthesia, Hadassah Hospital and Medical School, Hebrew University, Jerusalem. Tutor for medical students' educational program at Kaplan Hospital

1983 – present: Teaching of intubation for paramedics, dentists, military doctors

1986-1999: Teacher of educational programs for medical and nursing staff: anesthesia, ICU, CPR, Kaplan Hospital

1988-present: Guest lecturer in anesthesia and resuscitation for general practitioners, Postgraduate Medical Education, Hadassah Hospital and Medical School, Hebrew University, Jerusalem

1993-1999: Teacher - Refresher courses in ICU for physicians at Kaplan Hospital

1994: Guest lecturer - Refresher courses for physiotherapists, University of Tel Aviv

1994-1999: Teacher of anesthesia and ICU: new immigrant physicians, Kaplan Medical Center, Rehovot

1995 - 1996 - Reviewer, "Harefuah" (Israel) journal

1996: Lecturer - refresher course in intensive care, Medical School, Budapest

1996-1997: Teaching of anesthesia for visiting physicians from Romania and Hungary

1997 – present: Guest lecturer - refresher courses on airway problems in pregnancy, for residents in anesthesia (Soroka Medical Center)

1997 - present: Reviewer, "Journal of Clinical Anesthesia" (USA)

Nov. 1997: Lecturer - postgraduate course in anesthesia. Continuing medical

education of the European Society of Anesthesiologists, Maale Hahamisha, Israel. Airway management and laser surgery

Feb. 1998: Lecturer: CME for anesthesiologists on difficult airway management: New airway devices. Sackler School of Medicine

Nov. 1998: Lecturer on airway management in trauma. CME for surgeons, Sackler School of Medicine

Feb. 1999: Lecturer, courses for military paramedics: Intubation and airway management

Feb. 1999: Teaching of fiberoptic intubation at "Ioseftal" hospital, Eilat

March and May 2000 – Invited lecturer to the forum of Department of Anesthesiology and Intensive Care, UT Medical School on: "Peripartum General Anesthesia" and "Airway management of facial trauma".

July 2000 – present: Teacher of Anesthesia for medical students at The Sackler School of Medicine, Tel Aviv, Israel.

July 2000 – present: Teacher of anesthesia and intensive care at the Nursing Academy, Wolfson medical Center, Holon, Israel.

August 2000: Invited lecturer on airway management in trauma patients. National "Forum trauma" meeting – Ganei Hataaruha, Tel Aviv.

October 2001: Invited lecturer on airway management in cardiac surgical patients. The University Hospital for Cardiology, Budapest, Hungary.

December 2001: Invited lecturer on Hypothermia in Anesthesia, at the preparing courses of European Academy of Anesthesiology, Zichron Yaakov, Israel.

December 2001: Organizer of the "hands-on" workshop in airway management for military doctors and paramedics, Tel Aviv, Israel.

December 2001: Organizer of the National CME course in Anesthesia (cardiac anesthesia) Sackler School of Medicine, Israel

March 2002: Organizer of the National CME course in Anesthesia (difficult airway management) Sackler School of Medicine, Israel

August 2003: Invited lecturer at the University of Louisville, Kentucky on "Anesthetic management of patients with pheochromocytoma".

September 2003: Refresher course (New issues in difficult airway management)

for board exam preparation in anesthesia, Kefar Hamaccabia.

November 2003: Lecture to Military Trauma Courses on Airway management and trauma”.

December 2003: Organizer of the National CME course in Anesthesia (Cardiovascular physiology). Sackler School of Medicine, Israel

2003 – Instructor of paramedics – Use of LMA

2004- present – Reviewer, JAMA

Feb. 2004 – Organizer of the CME course in Anesthesia: Anesthesia for vascular surgery. Beth Sourasky, Tel Hashomer, Israel

Oct. 2004 - Organizer of the CME course in OB-Gyn – Perioperative management of the gynecologic patient. Sackler School of Medicine, Israel

Jan. 2005 - Organizer of the CME course in Anesthesia: Difficult airway in obstetric anesthesia. Beth Sourasky, Tel Hashomer, Israel

Feb. 2005 – Invited lecturer at the CME course in Anesthesia. Peripartum cardiomyopathy. Beth Sourasky, Tel Hashomer, Israel

2005 – Member of the Organizing Committee of the International Congress of Anesthesia, Tel Aviv, Oct. 2005

2005-present: co-organizer of the Airway Simulation course, National Medical Simulation Center, Tel Hashomer

2005 – Presented 2 lectures at the CME courses, Tel Aviv University

2006 – Member of the organizing committee of WFSA for education in Anesthesia for
physician from Eastern European Countries

March 2006 – Refresher courses in anesthesia (Airway management) for anesthesiologists from Romania and Republic of Moldova.

Main academic and research preoccupation: Management of the normal and difficult airway.

ACTIVE PARTICIPATION IN SCIENTIFIC MEETINGS

- 1983: The 12th International Congress of Israel Society of Anesthesiologists, Jerusalem, Israel
- Oct. 1988: American Society of Anesthesiologists Annual Meeting, San Francisco, USA
- 1989: National Conference of Pulmonology, Rehovot, Israel
- 1989: The 15th International Congress of Israel Society of Anesthesiologists, Tel Aviv, Israel
- March 1990: Intensive Care Unit World Conference, Brussels, Belgium
- 1992: National Surgery Congress, Tel Aviv, Israel
- 1992: The 16th International Congress of Israel Society of Anesthesiologists, Haifa, Israel
- Oct. 1993: American Society of Anesthesiologists Annual Meeting, Washington, DC, USA
- 1994: The 9th European Congress of Anesthesiology, Jerusalem, Israel
- Sept. 1995: Organizer of the International Conference of Israel Society of Anesthesiologists, on “Medico- legal aspects of anesthesia”, Rehovot, Israel
- 1996: The 17th International Congress of the Israel Society of Anesthesiologists, Tel Aviv, Israel
- June 1998: Organizer of the International Conference of Israel Society of Anesthesiologists on “Management of difficult airway”, Rehovot, Israel
- Oct. 1998: American Society of Anesthesiologists Annual Meeting, Orlando, USA
- Nov. 1998: “Hands-on” workshop on management of difficult airway. The 11th International Symposium on Anesthesia and Intensive Care, Tiberias, Israel
- June 1999: Organizer of the “Hands-on” workshop on management of difficult airway. The 18th International Congress of the Israel Society of Anesthesiologists, Haifa, Israel
- Oct. 1999 - American Society of Anesthesiologists Annual Meeting, Dallas, USA
- Jan. 2000 The Californian Society of Anesthesiologists Annual Meeting, Maui, Hawaii, USA

Oct. 2000 American Society of Anesthesiologists Annual Meeting, New Orleans, USA

October 2000: Organizer of the International Conference of Regional Anesthesia, Holon, Israel

December 2001: "Hands-on" workshop in airway management for military doctors and paramedics, Tel Aviv, Israel

Nov. 2002: Chairman of the Airway Session and organizer of the workshop on Difficult airway at the 19th International Congress of the ISA, Tel Aviv., Tel Aviv

Oct. 2003: American Society of Anesthesiologists Annual Meeting, San Francisco, USA

Sept 2004: Annual Congress of the American Society for Airway Management, Chicago, USA

Oct 2004 – International Congress of Anesthesiology, Tel Aviv - in charge of the airway workshop

Oct 2005 – International Congress of Anesthesiology, Tel Aviv – Member of the Organizing committee and in charge of the airway workshop

Studies supported by RESEARCH GRANTS received by ORI (Outcomes Research™ Institute), Louisville, KY, USA

1. 1997 - The American National Institute Health Grant GM 49670: Szmuk P, Ezri T., Sessler D.I., Stein A., Geva D: Spinal anesthesia speeds Active postoperative rewarming.
2. 2002 – NIH Grant GM 58273: Ezri T, Szmuk P, Weisenberg M, Serour F, Gorenstein A, Sessler DI: The effects of hydration on core temperature in pediatric surgical patients.
3. 2003 – NIH Grant 58273: Ezri T, Szmuk P, Sessler DI: Neck soft tissue ultrasound for prediction of difficult intubation.
4. NIH Grant GM 061655 (Bethesda, MD), the Gheens Foundation (Louisville, KY), the Joseph Drown Foundation (Los Angeles, CA), and the Commonwealth of Kentucky Research Challenge Trust Fund (Louisville, KY): Ezri T, Zahalka I, Sessler D, Zabeeda D, Eidelman A, Hendel D, Zimlichman R, Medalion B. Hemodynamic Effects of Combined Spinal-Epidural Anesthesia and Epidural Anesthesia Alone in Patients Undergoing Total Knee Arthroplasty

MEMBERSHIP IN PROFESSIONAL SOCIETIES

Since 1979 - Israel Medical Association

Since 1979 - Israel Society of Anesthesiologists

1989- present - Member, Examination Board on Anesthesiology, Israel Medical Association

Since 1995 - Israel Trauma Society

1996-1999 - Member of National Council (Kupat Holim) on medical equipment in anesthesia and intensive care

Since 1998 - SAM – Society (American) for Airway Management

Since 2001 - Israel Academy for Regional Anesthesia

Since 2001 - Israel Society of Intensive Care

2001 - present - Chairman of the Nomination Committee in Anesthesia, Tel Aviv

2001 – present - Member of the Scientific Council of the Israel Medical Association

2001 - 2002 - Member of the Committee for Quality assurance of the Israel Society of Anesthesiologists

2002 - present - Member of the Central Committee of the Israel Society of

Anesthesiologists

2002 - present: Member, Examination Board of the European Academy of Anaesthesiology

2000 – Present, Member and site director of ORI (Outcomes Research™ Institute), Louisville, KY, USA

RESIDENTS and DOCTORAL STUDENTS SUPERVISED

- Supervisor of residents for the thesis in basic sciences

1. Dr. Islam Zahalka, resident in Orthopedics, Wolfson Medical Center: Hemodynamic measurements with the Bioimpedance method in patients undergoing total knee replacement surgery, 2001-2002.
2. Dr. Yoela Alon, resident in Surgery, Wolfson Medical Center: Hemodynamic measurements with the Bioimpedance method in patients undergoing LapBand surgery, 2002.
3. Dr. Alex Blecher, resident in Surgery, Wolfson Medical Center: Hemodynamic measurements with the Bioimpedance method in patients undergoing radiofrequency liver surgery, 2002.
4. Dr. Nidal Issa, resident in Surgery, Wolfson Medical Center: Hemodynamic measurements with the Bioimpedance method in patients undergoing transurethral resection of urinary bladder tumors versus prostate adenoma under spinal anesthesia, 2003.
5. Dr. Vladimir Tverskonov, resident in Orthopedics, Wolfson Medical Center: Changes in biochemistry and hemoglobin as a function of sampling place, 2003.
6. Dr. Emma Lerner, resident in Internal Medicine, Wolfson Medical Center: Perioperative metabolic acidosis in abdominal surgery: effect of mechanical bowel preparation, 2003.
7. Nimrod Aroyo – Doctoral study – Effect of music on anesthetic depth with sevoflurane. 2004-2005 (study not finished)
8. Dr. Rustam Djabarov, resident, dept. of Orthopedics. Airway management with the Cobra-PLA vs. ProSeal airways during elective orthopedic procedures
9. Dr. Monica Benaia, resident, Internal Medicine B. The Hemodynamic Effects of Preoperative Cessation of Angiotensin-Converting Enzyme Inhibitors in Hypertensive Patients
10. Dr. Arkadi Ishakov, resident, Dept. of Surgery B. Metabolic acidosis accompanying major elective abdominal surgery in adult patients (heart, vascular and

liver surgeries excluded): incidence, lactate-base deficit correlation and correlation with perioperative complications
